Re: Engineering Certification for the Residential System

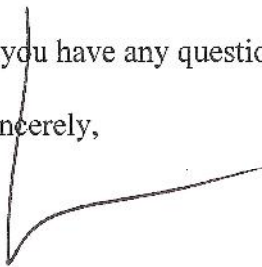

PZSE, Inc.-Structural Engineers has analyzed the subject Residential System and determined that it is in compliance with, and will meet the structural requirements of the applicable sections of the following Reference Documents:

1. 2009 International Building Code, by International Code Council, Inc., 2009
2. Aluminum Design Manual: Specifications and Guidelines for Aluminum Structures, by The Aluminum Association, 2010

This letter certifies that the structural calculations contained within the subject Residential System are in compliance with the above Codes.

If you have any questions on the above, do not hesitate to call.

Sincerely,

Paul Zacher, SE - President
